SUB: **CONSENT FOR ENHANCEMENT OF TENDERING LIMIT.**

Name of Firm / Contractor / Partner : _____

Existing Class & Category : _____

Sir

I / We _____ owner /
Partner of above firm have no objection to modify my / our tendering limit as per
DG/SE/CM/Enlist. Rule/12 dated 31/03/2015 along with amendments up to
DG/SE/CM/Enlist. Rule/30 dated 04.10.2017.

It is also certified that I / we fulfill the requirements of above CPWD Office
Memorandum. The conditions of required technical staff, T & P as per Clause 34 & 36
of GCC and required valid electrical license whatsoever applicable, have also been
fulfilled by me / us as per existing terms & conditions of tendering. In future if any
ambiguity observed, my above consent may be cancelled and I shall not be made any
claim regarding this.

It is also submitted that CPWD contractors being endorsed in I & FC
department in same class, have already enhanced tendering limits as compare to us. It
is causing non – parity in tendering competition for same class.

It is therefore requested to modify my / our tendering limit as per above CPWD
Office Memorandum in existing class and category as composite category in I & FC
department has not been applied.
